Triple Input support of Analogue, DVI and HDMI ensures compatibility with the latest installed graphics cards and embedded notebook outputs. The monitor is Energy Star and TCO Certified. A reliable solution for all kind of work environments where ergonomics and best performance are desired.

HAS + PIVOT

With a height adjustable stand you will create an ergonomic work posture and position that meets all health and safety requirements. This will not only prevent any health issues but will also increase your productivity. The pivot function allows the screen to rotate from landscape to portrait orientation. This functionality can be useful if the application requires more height than width.

SPEAKERS

This LED monitor is equipped with two high quality stereo speakers.
